## **Snokids, Roughriders, and Parents**

Dear Snokids, Roughriders, and Parents,

Welcome to the Snokids and Rough Riders Program of Snyder Ski School at Mount Pleasant.

Our Program includes a 1-1/2 hour lesson for the children, and half day lift pass for the weekend day that you choose. Our lesson will be filled with fun and games designed to aid learning, gain confidence and independence. Each lesson ends with hot chocolate in the loft, where parents can meet their children.

We hope to start the program during the second week of January, 2010

~ Lessons are limited in size, so please register early. Sessions will be filled on a first-come, first-served basis.

### **Lesson schedules are as follows:**

**Day 1: Introduction**

**Day 2: Crazy Outfit Day. Be creative and win a prize.**

**Day 3: Game day**

**Day 4: Obstacle Course**

**Day 5: Free snack at the "Hut"**

**Day 6: Graduation**

Both the SnoKids and RoughRider programs are a great way to start your children in an enjoyable and healthy sport. We hope to see you in January!
