## **The Mount Pleasant SnoCamp**

Hello parents,

This year at Mount Pleasant we are offering an exciting one day ski or snowboard program. This SnoCamp will be an all-day event on Saturday, March 9th. The program will begin at 10 am and end at 5 pm. The day will be broken down into three sessions each focusing on different skills, such as racing, skiing health and jumping. In these three sessions, instructors will focus on teaching important aspects of hill safety, physical preparation and general improvement. The program will also include an hour of tubing and lunch. The lunch will consist of hot dogs, a drink, and a healthy snack. After each session, there will be a fifteen-minute warm-up break with a sports drink. The schedule for the day is as follows-

**Drop off and meet- 9:30 to 10**

**First session- 10 to 11:30**

-The First Session will be a personal ski/snowboard training. Instructors will work with students and individualize the lesson to improve their skills. We will also discuss how to stay healthy in the winter and how to maintain healthy ski/snowboard habits. Students will be joined by members of the Mount Pleasant Ski Patrol.

**Second session- 11:45 to 1:15**

-The second session will be an introduction to racing. Skiers and Snowboarders will both work on the basics of racing and then engage in friendly competition.

**Lunch- 1:15 to 2**

-Lunch will consist of hot dogs in the warming hut, a drink and a healthy snack.

**Third session- 2-3:30**

-The third session will be an introduction to jumping and tricks. Skiers and Snowboarders both work on the basics of jumping tricks and then engage in friendly competition.

**Tubing- 3:45-5**

-Instructors will tube with kids until they are picked up by their parents.

The cost of the program is \$85, which includes 4.5 hours of instruction, an all-day lift ticket, rentals, tubing and lunch.
